グローバルビレッジに行ってきました

10月30日(火)～11月1日(木)まで、中学2年生徒は、白樺湖にて3日間英語のみでコミュニケーションをとるキャンプに行ってきました。生徒たちがつくる8名ほどの班に1名のグローバルリーダーに入ってもらい、様々な異文化体験、英語活動を行いました。

生徒たちは事前に、自分が国内外他者との関わりから感じたカルチャーショック体験や夏休みに行ったボランティア体験について英語でプレゼンテーションできる準備をし、当日は質疑応答にまで英語で答えるように努力していました。

以下は、生徒(一般生)の感想です。英語を手段として文化背景の異なる方たちとコミュニケーションをとることの難しさや楽しさを感じることができたようです。

I joined Global Village on October 30 to November 1. I talked a lot of with my group leader and my group members in English. I played many games with them. I enjoyed communicating with them, so I found that communicating with people who I met for the first time is very enjoyable, and I learned that trying to talk to other people is very important.

Then, we made a poster and we gave a presentation with my group members. We made a wonderful poster and fantastic presentation. I was happy. I learned that cooperating with other people is great.

This program was very difficult for me. For example, I couldn't understand what my group leader was saying. However, I enjoyed this program and I had a sense of achievement. I learned many many things through this experience. I want to know more about foreign countries and languages from now on, and I want to talk in English with foreign people.
